

NOTICE – INUVIK HOSPITAL PHONE SYSTEM ISSUES

If you are having difficulty reaching any person or program located within the Inuvik Regional Hospital it may be due to phone system issues at the facility. These issues include a lack of all voicemail services and issues with some calls not coming through. These issues are presenting as a dropped call or ongoing ring tones with no answer.

Staff are working to fix the issue, if you believe you are experiencing issues contacting the hospital please hang up and try again or use the backup phone number **867-678-4441**, you can also email laurie_robertson@gov.nt.ca for assistance.

Thank you.
