

Foster Home Recruitment

Each Health and Social Services Authority must develop a written plan for the ongoing recruitment of foster homes.

REFERENCE

Department of Health and Social Services Policy

PURPOSE

- To ensure a sufficient number of foster home resources can be accessed within a child or youth's home community on an as needed basis.

PROCEDURE

1. Develop an annual foster care recruitment plan which will be based upon the established need for services.
2. Undertake an annual evaluation and update the recruitment plan as necessary.
3. Develop foster home placement resources which reflect the cultural backgrounds of the children needing services.
