

WHAT IS COVERED BY JORDAN'S PRINCIPLE?

Jordan's Principle covers all public services such as mental health, special education, dental, physical therapy, medical equipment, physiotherapy and more.

It is important to note that Jordan's Principle will aid the child in accessing practical services that may not be accessible due to inequality or discrimination. Jordan's Principle requests are evaluated on a case-by-case basis to cover emerging needs.

EXAMPLES:

Health:	Social:	Education:
<ul style="list-style-type: none">• Mobility aids• Wheelchair ramps• Services from Elders• Assessments and screenings• Medical supplies and equipment• Mental health services• Beds for Children• Orthodontics	<ul style="list-style-type: none">• Social worker• Land-based activities• Respite care (individual or group)• Specialized programs based on cultural beliefs and practices• Personal support worker	<ul style="list-style-type: none">• School supplies• Tutoring services• Teaching assistants• Psycho-educational assessments• Assistive technology and electronics• Laptops for remote learning• E-readers

Children recognized by their Indigenous Nation, with or without status under the Indian Act, are eligible for Jordan's Principle.

A child under the age of majority in their province or territory of residence can access Jordan's Principle, if they permanently reside in Canada and if the child meets one of the following criteria:

- is registered or eligible to be registered under the Indian Act
- has one parent or guardian who is registered or
- is ordinarily resident on reserve.
- eligible to be registered under the Indian Act
- is recognized by their nation for the purposes of Jordan's Principle
