

Government of Gouvernement des Northwest Territories Territoires du Nord-Ouest

September 29, 2023

Dear Health Care Professional:

NWT Seasonal Influenza Program 2023-2024

Please find the following documents, providing direction and guidance for the upcoming <u>2023-2024 Seasonal Influenza Program</u>:

- Influenza Vaccine Program Guidelines
- Influenza Vaccine Administration Summary
- Seasonal Influenza Chapter in NWT Communicable Disease Manual
- Vaccine Product Monographs for:
 - FLUZONE® QUADRIVALENT (QIV)
 - FLUZONE® QUADRIVALENT HIGH-DOSE (QIV HD)
- NWT Respiratory Virus Severe Outcomes Surveillance Reporting Form
- NACI statement on Seasonal Influenza Vaccine for 2023-2024 from the Canadian Immunization Guide: <u>Canadian Immunization Guide on Influenza and Statement on</u> Seasonal Influenza Vaccine for 2023-2024
- NWT Influenza Immunization Coverage for 2022-2023
- Information on ordering Influenza vaccine promotional products from the <u>Public</u> <u>Health Agency of Canada</u> and <u>Immunize.ca</u>

The primary contact for the NWT Influenza Program is Lorraine Curren, Senior Communicable Disease Specialist, Communicable Disease Control Unit. Please do not hesitate to contact Lorraine by phone: (867) 767-9066 ext. 49875 or email: lorraine curren@gov.nt.ca. You can also reach the Communicable Disease Control Unit at (867) 920-8646 if you have any questions.

Sincerely,

Dr. Kami Kandola, MD, MPH, CCFP, FCFP, ACBOM, DTM&H, ABPM

Chief Public Health Officer

X Kardole
