<p><b>Title: NWT Mandatory Education Program on Immunization Competency-Amendment</b></p> <p><b>Effective Date:</b> September 2019</p> <p><b>CPI# 152</b> supersedes CPI # 125</p> <p><b>Statement of approved clinical practice:</b></p> <p>The NWT Chief Public Health Officer (CPHO) sets territorial standards relating to immunization competencies.</p> <p>All health care professionals who will be administering vaccines in the NWT must be licensed to practice in the NWT and must be competent to administer vaccines according to national competencies as set out by the Public Health Agency of Canada (PHAC).</p> <p>To ensure PHAC immunization competencies have been obtained prior to the administration of vaccines in the NWT, in addition to following their employer's policies and procedures, the CPHO requires that health professionals complete and pass a recognized education program on immunization competency.</p> <p>The education program approved by the CPHO is the Canadian Pediatric Society (CPS) <b>Education Program on Immunization Competencies (EPIC)</b>. Information regarding access to registration for the newly released 3<sup>rd</sup> edition can found on the HSS Health Professional site: <a href="https://www.hss.gov.nt.ca/professionals/content/epic">https://www.hss.gov.nt.ca/professionals/content/epic</a>. Equivalencies may be considered on a case by case basis when alternative programs meet the requisite PHAC Immunization Competencies (<a href="http://www.phac-aspc.gc.ca/im/ic-ci/index-eng.php">http://www.phac-aspc.gc.ca/im/ic-ci/index-eng.php</a>) and NWT Clinical Standards (<a href="https://www.hss.gov.nt.ca/professionals/tools/policies-and-guidelines-standards-and-manuals">https://www.hss.gov.nt.ca/professionals/tools/policies-and-guidelines-standards-and-manuals</a>).</p> <p>An electronic copy of this notice is available on the Department of Health and Social Services health professional's website at: <a href="http://www.professionals.hss.gov.nt.ca/document-categories/clinical-practice-information-notices">http://www.professionals.hss.gov.nt.ca/document-categories/clinical-practice-information-notices</a>.</p>									

This clinical practice is approved.  Date: September 9, 2019
