Title: Pertussis Reporting Forms

Effective Date: January 2020

CPI # 158

All previous pertussis reporting forms must be discarded immediately and replaced with the linked documents.

Statement of Approved Clinical Practice:

The Chief Public Health Officer approves the referenced forms for immediate use by health care providers. Do not use any other forms to report pertussis. These new forms provide enhanced information that assists with pertussis investigations and contact tracing.

- The pertussis investigation form is a smart form in the electronic medical record and available on the [HSS Health Professionals website](#).
- The pertussis contact list is available on the HSS Health Professionals website as both a [PDF \(printer friendly\)](#) and Excel (download and fillable) format.
