

## **GNWT Aboriginal Cultural Awareness Training**

Aboriginal Cultural Awareness Training provides GNWT employees with information and context for the communities and regions we live in and residents we serve. Its content is northern specific and provides historical information on government and Aboriginal relationships.

The training is for GNWT employees and is also available for viewing by the general public.

Diversity and inclusion are crucial aspects of a strong and stable public service. This training increases understanding about Aboriginal culture, enhances awareness, and promotes a spirit of inclusion. This training also reaffirms Aboriginal values and partnerships as a key foundation of the GNWT, based on respect, recognition and responsibility.
