

September 4, 2021

Dear Health Care Professional:

NWT Seasonal Influenza Program 2021-2022

Please find the following documents, providing direction and guidance for the upcoming [2021-2022 Seasonal Influenza Program](#):

- Influenza Vaccine Program Guidelines
- Influenza Outbreak Management for Long Term Care Facilities
- Influenza Vaccine administration Summary
- Vaccine Product Monographs for:
 - FLULAVAL TETRA
 - FLUZONE® High-Dose
- NWT Influenza Reporting Form
- NACI statement on Seasonal Influenza Vaccine for 2021-2022 from the Canadian Immunization Guide: [Canadian Immunization Guide on Influenza and Statement on Seasonal Influenza Vaccine for 2021-2022](#)
- NWT Influenza Immunization Coverage: September 2019-March 2020
- Influenza vaccine usage report with recommendations for ordering amounts for 2019
- Information on ordering Influenza vaccine promotional products from the [Public Health Agency of Canada](#) and [Immunize.ca](#)

The primary contact for the NWT Influenza Program is Jenelle Hurley, Territorial Specialist, Public Health and Communicable Disease. Please do not hesitate to contact Jenelle by phone (867-767-9066 ext. 49292) or email (Jenelle.Hurley@gov.nt.ca) or the Territorial Public Health and Communicable Disease Unit at (867) 920-8646 if you have any questions.

Sincerely,

Dr. Kami Kandola, MD, MPH, CCFP, FCFP,
ACBOM, DTM&H, ABPM
Chief Public Health Officer
