

Instructions for Tuberculosis (TB) Form

Healthcare professionals (HCPs) have a legislative duty to report notifiable and reportable diseases to the Chief Public Health Officer (CPHO) as required in the [NWT Public Health Act](#) (2009, SNWT 2007, c.17, SI-007-2009), with required information and timelines for reporting as defined in the [Disease Surveillance Regulations](#) (2009, R-096-2009). This information is used for territorial and national surveillance and informs public health planning and interventions. This reporting by the HCP is accomplished by submitting the NWT Tuberculosis (TB) Form to the Office of the Chief Public Health Officer (OCPHO). Information on cases of the following is reportable within specific time frames:

Type	Timeline for submitting the <i>NWT TB Form</i> to OCPHO after making a diagnosis or opinion
Tuberculosis Disease (TBD)	24 hours
Tuberculosis Infection ¹ (TBI)	7 days

In addition to case information, HCPs shall make reasonable efforts to initiate contact tracing for individuals with TB disease within 24 hours of reportable disease diagnosis and provide the OCPHO with information respecting the contact tracing and specific control measures that have been initiated or carried out, as outlined the [Reportable Disease Control Regulations](#) (R-128-2009).

Contact tracing information is provided to the OCPHO on TB disease by filling out the [TB Investigation Contact Tracing Form](#) and submitting by medical confidential fax. Additional contact tracing information may be request depending on the circumstance.

What to Report

Information within this reporting form are used for surveillance. It can help track the progression of an outbreak through different sub-populations (i.e., underhoused) as will as ensure that programs are meeting necessary TB standard indicators. Data from these sections are also used to fulfill reporting requirements to federal funders.

Case information for both TBD and TBI and should always be filled in:

- Section 1: Includes confirmed address and telephone number and reason for healthcare visit.
- Section 2: Includes TB history and IGRA/TST information
- Section 3: Includes symptoms, physical assessment, lab/radiological investigations and current list of medications.
- Section 4: Includes risk factors that place the patient at higher risk for severe outcomes or converting to TBD.

Case information for TBD only:

- Section 5: Includes admission details, treatment completion, consultation notes and OCPHO direction for TBD.

Case information for TBI only:

- Section 6: Includes treatment assessment, treatment completion details and OCPHO direction for TBI.

Note: If there is not enough room on the form to provide all information, please attached additional sheet with HCN on top right-hand corner.

Important!

A NWT Tuberculosis (TB) Form, even if not fully complete, must still be reported (submitted) to the OCPHO within the timeframes identified above. It is expected that HCPs submit an *updated* form as new information is received. For example, it is unlikely that treatment will be fully complete within the initial reporting timeframe but will be completed later on these updates need to be reported (submitted) as information is provided

NWT TUBERCULOSIS (TB) FORM

SECTION 1 – PATIENT INFORMATION

Affix Label	Last Name: _____	Gender: <input type="checkbox"/> Man <input type="checkbox"/> Woman <input type="checkbox"/> Other <input type="checkbox"/> Not asked
	First Name _____	Current occupation: _____
	HCN: _____	List all drug allergies: _____
	Birthdate (dd/mmm/yyyy): _____	Reason for visit: <input type="checkbox"/> Symptomatic/suspect (ex. cough, night sweats) <input type="checkbox"/> Positive TST/IGRA <input type="checkbox"/> Contact of a case <input type="checkbox"/> TBI treatment candidate <input type="checkbox"/> TB surveillance <input type="checkbox"/> General exam <input type="checkbox"/> Other: _____
	Sex at Birth: <input type="checkbox"/> Male <input type="checkbox"/> Female <input type="checkbox"/> Intersex	
Current Address: _____		

SECTION 2 – TB HISTORY

Most recent TST (dd/mmm/yyyy): _____ <input type="checkbox"/> N/A	Received BCG: <input type="checkbox"/> No <input type="checkbox"/> Yes, date (dd/mmm/yyyy): _____
TST size mm (transverse only): _____ <input type="checkbox"/> Not read	IGRA: <input type="checkbox"/> Negative <input type="checkbox"/> Positive <input type="checkbox"/> Indeterminate (dd/mmm/yyyy): _____

Previous treatment for disease or infection? Date (dd/mmm/yyyy) and details: _____

SECTION 3 – TB ASSESSMENT

3a) Symptoms (check all that apply add dd/mmm/yyyy after)

<input type="checkbox"/> Fatigue (onset/duration): _____	<input type="checkbox"/> General malaise (onset/duration): _____	<input type="checkbox"/> Chest pain (onset/duration): _____
<input type="checkbox"/> Cough (onset/duration): _____	<input type="checkbox"/> Night sweats (onset/duration): _____	<input type="checkbox"/> Weight loss (onset/duration): _____
<input type="checkbox"/> Hemoptysis (onset/duration): _____	<input type="checkbox"/> Fever (onset/duration): _____	<input type="checkbox"/> Other, details (onset/duration): _____

3b) Physical Assessment (check all that apply add dd/mmm/yyyy after)

<input type="checkbox"/> Weight: _____	<input type="checkbox"/> Abnormal breath sounds: _____	<input type="checkbox"/> Enlarged lymph nodes: _____
<input type="checkbox"/> Signs of weight loss: _____	<input type="checkbox"/> Skin pallor: _____	<input type="checkbox"/> Red raised skin rash/lesions: _____

3c) Lab/Radiological Investigations

<input type="checkbox"/> Current chest x-ray (dd/mmm/yyyy): _____	<input type="checkbox"/> ALT, BUN, Total Bili, Creatinine (dd/mmm/yyyy): _____
Sputa collected: <input type="checkbox"/> No <input type="checkbox"/> Yes (dd/mmm/yyyy): _____	<input type="checkbox"/> Urine (R&M)/Urine Culture (dd/mmm/yyyy): _____
Pregnancy test: <input type="checkbox"/> Positive <input type="checkbox"/> Negative <input type="checkbox"/> Not Done	<input type="checkbox"/> HIV (dd/mmm/yyyy): _____

3d) Current list of medications (list all)

SECTION 4 – RISK FACTORS

4a) Highest Risk	Positive	Negative	Unknown	Refused
HIV Status (last tested): _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Child or Adolescent TB Contact	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Immunocompromised <input type="checkbox"/> Biologic <input type="checkbox"/> Steroid use <input type="checkbox"/> CA <input type="checkbox"/> Transplant Recipients <input type="checkbox"/> Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chronic Kidney Disease (with or without dialysis)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Diabetes Mellitus	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

4b) Immigration Information (if applicable)

Date of Arrival to Canada: _____	Country of Immigration: _____
Spent time in refugee camp: <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown	Country of Birth: _____
Occupation: _____	

4c) TB Exposure History

<input type="checkbox"/> None <input type="checkbox"/> Unknown <input type="checkbox"/> Recent (within last 2 years) <input type="checkbox"/> Past exposure (more than 2 years)
Contact of a case: <input type="checkbox"/> Household contact <input type="checkbox"/> Non-household contact <input type="checkbox"/> Work related contact
Date of last contact (dd/mmm/yyyy): _____
Travel to High Incident Country in last 2 years: <input type="checkbox"/> No <input type="checkbox"/> Unknow <input type="checkbox"/> Yes, where: _____
Details on past exposure (more than 2 years): _____

HCN:

4d) Social Risk Factors	
Number of people in household: _____	Smoker: <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Prefer not to answer
Number of bedrooms: _____	Substance Use (any amount): <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Prefer not to answer
Fixed address? <input type="checkbox"/> Private/Rented Home <input type="checkbox"/> Shelter <input type="checkbox"/> Stay's with Friends <input type="checkbox"/> Homeless <input type="checkbox"/> Congregate living situation, date began living there: <input type="checkbox"/> Correctional facility, date of intake <input type="checkbox"/> Other:	<input type="checkbox"/> Alcohol (Frequency): <input type="checkbox"/> Other drugs (list):
4e) Suspect or Confirmed TB Disease <input type="checkbox"/> No <input type="checkbox"/> Yes, (dd/mmm/yyyy) go to Section 5:	Confirmed TB Infection <input type="checkbox"/> No <input type="checkbox"/> Yes, (dd/mmm/yyyy) go to Section 6:
	Is person willing to receive prophylactic treatment? <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Unable, why? _____

HCN:

SECTION 5 – TB Disease

TB Diagnosis Date (dd/mmm/yyyy):	Positive	Negative	Site
Smear (dd/mmm/yyyy):	<input type="checkbox"/>	<input type="checkbox"/>	
Culture (dd/mmm/yyyy):	<input type="checkbox"/>	<input type="checkbox"/>	

Clinical diagnoses without lab confirmation, explain:

Consultation with TB specialist completed: No Yes, date (dd/mmm/yyyy):

Admitted to hospital: No Yes, date (dd/mmm/yyyy) **Deceased:** No Yes, date:

Discharged date (dd/mmm/yyyy): Where: **Discharge plan completed and communicated with new location:**
Yes, date: No, why not:

TB Disease Treatment

Intensive Phase	Drug Name	Dosage	Route	Frequency	Initiated	Discontinued	
How many doses?							

Continuation Phase	Drug Name	Dosage	Route	Frequency	Initiated	Discontinued	
How many doses?							

Treatment completed (dd/mmm/yyyy): **If not completed what % completed:** >80% 50-79% <50% Unknown

Incomplete Treatment: deceased
Lost to follow-up, details on contacting: _____
Left NWT, referral sent where: _____ date: _____
Other: _____

Notice to OCPHO on completion of treatment OR incomplete treatment:
No Yes, (dd/mmm/yyyy):

HCP Notes:

OCPHO Notes (for OCPHO staff only)

HCN:

SECTION 6 – TB INFECTION

Is patient willing to accept treatment?

Yes No, reason:

Any medical or social contra indications for treatment? Yes No

Why:

If no for either of the above questions, please still submit form and contact Territorial Public Health for direction on how to add to TB community surveillance.

Have all required baseline labs/assessment been completed within 1 month prior to treatment start date? Yes No

TB Infection Treatment

Using 3HP? No Yes (if using 3HP then must use DOPT 12 doses must be completed within 16 weeks.)

Drug Name	Dosage	Route	Frequency	Initiated	Discontinued

Treatment completed (dd/mmm/yyyy):

How many doses provided:

What % completed: >80% 50-79% <50% Unknown

How many missed dose: None Amount:

Incomplete Treatment: Side effects Intolerance to drugs
 Declined treatment Deceased Converted to TB disease
 Lost to follow-up, details on contacting: _____
 Left NWT, referral sent where: _____ date: _____
 Other: _____

Notice to OCPHO on completion of treatment OR incomplete treatment:
 No Yes, (dd/mmm/yyyy):

HCP Notes:

Date (dd/mmm/yyyy):

HCP Signature:

OCPHO Notes/Recommendations (for OCPHO staff only)

Date (dd/mmm/yyyy):

OCPHO Signature:
