Section 6: Inspection Details

Act and Regulation excerpts in this report are for information only and not the basis for legal or judicial determinations. Please verify the most current version of the Act and Regulation for correct sections and wordings.

1. Facility obtained a valid NWT Environmental Health Food Establishment permit.

- Observation: The new operator has applied for a food establishment permit.

2. NWT Environmental Health Food Establishment Permit is posted in a conspicuous location visible to patrons.

- Observation: Post the Food Establishment Permit in a location that is visible public once received.

35. Floors, walls, and ceilings are maintained in a sanitary condition and good repair

- Observation: Flooring throughout the establishment is in disrepair. The operator advised that they will be replacing flooring with a target of June 2024.

Correct-by Date: 06/14/2024

36. Appropriate maintenance of staff and/or public washrooms

- Observation: Paper towel must be in a dispenser.

46. EHO closing comments

- Observation: A follow up pre-operational inspection of this establishment was conducted today. General cleaning, including degreasing, of surfaces in the food handling areas is still required. All food contact and food handling surfaces must be cleaned and sanitized prior to use/opening. This establishment has Environmental Health approval to operate. A Food Establishment Permit will be issued and sent to the operator in due course.
